Retain

Terminate all

Terminate only the following domain(s):

WWW.

Provider change

WWW.

Provider change

WWW.

Provider change

Important note: Provider change for co.uk domain extension:

In case the domains you want to cancel include domains with the extension co.uk and you intend to transfer them to another provider (provider change), we require the nominet tag of the new provider, which you can find out directly from the latter.

Nominet tag of the new provider:

(Please print in capital letters)

I hereby confirm that the above-stated domain(s) marked with "Provider change" will be transferred from Vautron Rechenzentrum AG, service partner of MAGIX Software GmbH, to another provider.

All terminated domains remain active until their expiry date and may be transferred to another provider up to this date. After expiry of the contract, they will be deleted from the domain registry and can be reallocated for new registrations.

Please note the cancellation period of 8 weeks prior to expiry of the contract. We hereby expressly refer you to the MAGIX Software GmbH General Terms and Conditions (see www.magix-online.com).
